

CURRICULUM VITAE

NAME : SUJIT MAITY

OBJECTIVE :

The sole purpose of my work has always been creating excellence and perfection in the job assigned to me and not merely earning livelihood. Being born and brought up in a middle class family, I have always been active to the focus and purpose of my work and passive to the challenges popping up. I learnt the value of time and money from the beginning of my career and it has built my character. I am dynamic and can adapt in any situation to get my work done. I believe in strong interpersonal skill in a professional work environment and practise the same. I am open to learning and eager to help my fellowmen in need. I am sincere and proactive in nature. My objective is to perform my work in time with perfection and be a reason for the success of the company I work with. I am ambitious and believe in togetherness. I am sure that my experience will be of great benefit to the organization.
